CLINICAL, SOCIAL & RESEARCH INTERESTS

- Psychological and behavioral dimensions and processes associated with climate change
 - Processes of change in psychological treatments, specifically emotional and relational processes and integration in psychotherapy
 - Processed Based Psychotherapy, Acceptance and Commitment Therapy and Emotion Focused Therapy
 - Mindfulness, Compassion, and Resilience
 - Vulnerability and cognitive biases in affective disorders
 - Neurobiological correlates of emotion-cognition interactions with an emphasis on memory, rumination, acceptance, mindfulness, and emotion regulation
-

CURRENT PROFESSIONAL POSITIONS/AFFILIATIONS

- 2009 - **Clinical Psychologist** at Sevitar and San Francisco Acceptance and Commitment Therapy
- Individual, couples, family and group psychotherapy for adults
 - Teaching and consulting
- 2023 - Consultant and advisor, Innergi and Happy Brains @ Work, Lund, Sweden
- 2024 - Facilitator/coach at ProSocial World
-

EDUCATION

- Jan. 2009 **Licensed as a clinical psychologist in California (PSY22417)**
- 2005-2008 **Postdoctoral Fellow**
- University: Departments of Psychiatry & Psychology, Stanford University
- Lab: Stanford Psychophysiology Laboratory
- Advisor: James Gross, Ph.D.
- 2005 **Doctor of Philosophy (Ph.D.) in Clinical Psychology**
- University: University of California San Diego (UCSD) and San Diego State University (SDSU) Joint Doctoral Program in Clinical Psychology (APA Approved)

	Specialty Track:	Neuropsychology
	Secondary Specialty:	Experimental Psychopathology
	Dissertation:	Neural Substrates of Cognitive Vulnerability to Depression
	Dissertation Chairs:	John R. McQuaid, Ph.D. and Gregory G. Brown, Ph.D.
	Internship:	VA Palo Alto Health Care System
2002	Master of Science in Psychology	
	University:	San Diego State University
	Thesis:	The Effect of Mindfulness Meditation Training on Cognitive and Affective Symptoms
	Advisor:	John R. McQuaid, Ph.D.
1998	Bachelor of Social Science (Filosofie kandidatexamen)	
	University:	Lund University, Lund, Sweden
	Major:	Psychology
1990-1991	French Language and Literature studies	
	University:	Institute Catholique, Paris, France

GRANTS & AWARDS

2006-2010	Project Title:	Vulnerability and depressive relapse: An fMRI study of mood- memory relations
	Award:	Young Investigator Award
	Granting Agency:	National Alliance of Research on Schizophrenia and Affective Disorders (NARSAD)
	Role on Project:	Principal Investigator
2006-2008	Award:	National Research Service Award (NRSA) Institutional Postdoctoral Training Grant (F32)
	Granting Agency:	National Institute of Mental Health via Dept. of Psychiatry and Behavioral Sciences, Stanford University
2001-2004	Project Title:	Neural Substrates of Cognitive Biases in Depression
	Award:	National Research Service Award (NRSA) for Individual Predoctoral Fellowship (F31)
	Granting Agency:	National Institute of Mental Health
	Role on Project:	Principal Investigator
2002-2004	Project Title:	Neural Substrates of Cognitive Vulnerability to Depression
	Granting Agency:	National Institutes of Health via UCSD General Clinical Research Center (M01 RR00827)
	Role on Project:	Principal Investigator
1999-2001	Award:	National Research Service Award (NRSA) Institutional Research Training Grant (T32)
	Granting Agency:	National Institute of Mental Health via the Research Center in Late Life Psychosis, Dept. of Psychiatry, UCSD
1988-2005	Award:	Academic stipends
	Granting Agency:	Riddarhuset, Stockholm, Sweden

CLINICAL TRAINING & EXPERIENCE

- 2009 - **Sevitar and San Francisco Acceptance and Commitment Therapy, private psychotherapy practices**; specializing in adult individual and couples therapy and consultation
Location: Central San Francisco (201 Sanchez Street); telehealth from Lund, Sweden
Treatment: Individual, couples, family and group mental health treatment, mindfulness and relational training, and wellbeing facilitation for adults. See <http://sevitar.com> and <http://sf-act.com> for more information
- 2009-current Continuous and advanced training in and delivery of **Acceptance and Commitment Therapy (ACT)**; **Emotionally Focused Therapy (EFT)**; **Cognitive Behavioral Therapy (CBT)**; **third wave, affect-deepening, somatic, compassion- and mindfulness-based interventions**
- 2021-current **Prosocial Facilitator**, Prosocial Institute
- 2014-2015 **Emotionally Focused Therapy**
Externship and Core Skills courses completed
- 2007-2008 **Behavioral Medicine Clinic, Stanford University**
Dept. of Psychiatry and Behavioral Sciences, Stanford University
Cognitive Behavioral Therapy, Acceptance and Commitment Therapy, and Interpersonal Psychotherapy offered to adults with a range of psychological and health conditions (e.g., mood and anxiety disorders, eating disorders, cancer).
Supervisor: Robin Apple, Ph.D.
- 2005-2007 **Acceptance and Commitment Therapy (ACT)**
VA Palo Alto Healthcare System (National Center for PTSD: Women Trauma Recovery Program, and Mental Health Outpatient Clinic)
ACT group interventions for female veterans diagnosed with PTSD and individual ACT treatment for mental health outpatients.
Supervisors: Robyn Walser, Ph.D., and Darrah Westrup, Ph.D.
- 2003-2004 **Clinical Psychology Internship**
VA Palo Alto Healthcare System, Antonette Zeiss, Ph.D., Director.
Internship rotations included men's and women's residential PTSD program, family/couples therapy clinic, and andrology (sexual dysfunction) clinic.
- 1999-2002 **Graduate school practicum placements**
University of California San Diego Dept. of Psychiatry and San Diego State University Practicum rotations included cognitive behavioral interventions program for mood disorders, interpersonal psychotherapy for eating disorders, neuropsychological assessment, mindfulness-based stress reduction.
-
-

TEACHING

- 2009 – Teacher/facilitator of multiple presentations and workshops to the public, mental health professionals, and university students on the following topics:
- **Climate psychology**
 - **Acceptance and Commitment Therapy (ACT)**
 - **Mindfulness, compassion and resilience**
 - **Emotional and relational processes in psychotherapy**
 - **Depression, risk factors, and cognitive processes and biases**
 - **Brain function and depression**
- 2023 (spring) Co-teacher of “**Psychology and climate change**” (15 points) at Dept. of Psychology, Lund University, Sweden
- 2022 (spring) Teacher of seminar “**Deepening relational and emotional experiencing in psychotherapy**” (7.5 points) to clinical psychology graduate students at Dept of Psychology, Lund University, Sweden.
- 2012-2019 Teacher, **Search Inside Yourself Leadership Institute (SIYLI)**
- Mindfulness based emotional intelligence courses offered to professional organizations and workplaces in the Bay Area (e.g., Google, SAP, GAP) and internationally (e.g., Stockholm, Barcelona).
 - Part of the SIYLI “teach the teacher” team in 2014
- 2007-2010 Invited lecturer, **The Biopsychosocial Model and Examples of Its Application**
- Graduate students in clinical psychology at Stanford University and Pacific Graduate School of Psychology
- 2005 & 2006 Teacher, **Abnormal Psychology**
- Taught summer classes to undergraduate and advanced high school students at Stanford University
- 1999-2008 **Research training and clinical supervision**
- Taught structured clinical and diagnostic interviews (e.g., SCID, HAM-D), experimental design, recruitment, data collection and management, and scientific reading and writing to research assistants and undergraduate students
 - Yale University, UCSD, and Stanford University
-
-

PRE-DOCTORAL RESEARCH WORK

- 1997-1998 **Biopsychosocial Model of Marital Functioning and Depression**
- Role: Research Coordinator
Location: Dept. of Psychology, Yale University, CT
P.I./Supervisor: Mark A. Whisman, Ph.D.
- 1995-1997 **Infancy Studies Laboratory**
- Role: Research Assistant
Location: Center for Molecular and Behavioral Neuroscience, Rutgers University, NJ
P.I./Supervisor: April A. Benasich, Ph.D.

-

SERVICE

2024	Prosocial Coach	Pro bono coach at the Prosocial Action Lab and Becoming Prosocial
2023-	Outreach/activism	Offering workshops and presentations to the public to facilitate discussion and exploration about psychological factors associated with climate change and adaptation.
2021-	Active Committee Member	ACBS Climate Justice & Action SIG (Prosocial Subcommittee); Prosocial Regenerator at Prosocial World
2009-	Therapist volunteer	Pro bono/lower fee therapy offered to a proportion of clients via Sevitara. "Hold Me Tight" workshop volunteer at Emotionally Focused Therapy for couples, San Francisco (2017).
2005-2008	Ad hoc reviewer	Journals: Cognitive Therapy and Research Cognition & Emotion Journal of Clinical and Counseling Psychology Personality and Individual Differences Psychoneuroendocrinology
1999-2004	Assisted with article reviews	Journals: Cognitive Therapy and Research Journal of Affective Disorders
2001-2002	Faculty chair search committee	Organization: SDSU Psychology Department Role: Student representative; reviewed and ranked applications, participated in interviews and meetings.
1993-1994	Founding co-director	Organization: Swedish-Tibet Committee Location: Lund, Sweden Role: Organized a lecture series and a benefit concert for Tibet.
1991-1992	Volunteer	Organization: Mother Teresa's Health Care Organization, "The Missionaries of Charity" Location: Cities and villages in northern India Role: Assisted with care of destitute individuals in Mother Teresa homes.
1991	Volunteer	Organization: Dr. Jack Preger's Community Health Clinic Location: Calcutta, India Role: Assisted physicians in delivery of medical care and health education to homeless people.

PROFESSIONAL MEMBERSHIPS

Association for Contextual Behavioral Science (ABCS), including the Bay Area chapter and Climate Justice and Action SIG
Northern California Cognitive Behavioral Therapy Network (NCCBT)
Northern California Community for Emotionally Focused Therapy (NCCEFT)
Climate Psychology Alliance (CPA)
